

# RULES

## IMPORTANT

Be prepare to address the various stages of the adventure park, that can range up to several meters above the ground, in total autonomy. You are responsible for yourself. The adventure park constitutes a risk activity, this means you agree to respect the rules below:

- 1) Be certain you are in good shape and do not suffer from heart problems
- 2) you will attend the obbligatory briefing before the course, this is necessary to prepare for the course and understand how to use the safety devices
- 3) you will respect the safety standards and rules, in particular to remain always attached to the security cable, opening and closing one hook at a time
- 4) you will not bring any objects that can fall during the activity. You will not throw objects while you are on the course
- 5) in the case of any difficulties, you will ask help from an instructor

## THE INSTRUCTOR ARE AUTHORIZED TO:

- 1) Interrupt or stop any activity that is not respectful of the safety rule, rude/disturbing behavior or any behavior that puts at risk the users or other users. In any of these cases, a refund for the ticket is not be given
- 2) close the course in the case of bad weather conditions

## USERS ARE RESPONSIBLE FOR THEIR OWN SAFETY

The adventure park does not assume any responsibility in case of accident caused by your negligence towards safety measures.

Children are under the responsibility of their own parents or a responsible adult, who autorizes them to partecipate in all the activities and looks after them on the ground or on the trail.

Groups and classes are under responsibility of their guide.
